Your Teacher Toolkit

How not to run out of money

This toolkit lets you build your own lesson. To help plan for calculations along the way, maths moments are shown with calculator.

1. Powerpoint

This is to aid delivery and should be used together with the lesson plan. Slides are broken down into chapters to match the sections on the lesson plan.

2. 2h: 15 minute Lesson plan

The lesson plan can be delivered as:

- **One** 2hr, 15-minute session
- **Three** 45-minute chapters
- **A series** of 10-minute chapters for form time/assemblies

Discover timings and "delivery tips" to make the content accessible in these formats.

3. Videos

Videos are embedded in slides and on YouTube

- Needs vs Wants
- Cost per use
- Inflation
